CHRISTINE CARRIER ARTS ANNOUNCES Art New York 2016

April 26, 2016, Christine Carrier Arts in Collaboration with Studio 26 is proud to announce artists Daniel Fiorda and Hermes Torres at Art New York at Pier 94, booth B43, May 3-May 8, 2016.

Daniel Fiorda is a Miami based artist who's Microcosms continues their journey with Christine Carrier Arts from it's inaugural show in October 2015 and at Aqua during Art Basel week in December 2015. "We live in succession, in division, in parts, in particles. Meantime within man is the soul of the whole; the universal beauty, to whichevery part and particle is equally related; the eternal ONE."

Hermes Torres is a New York native and debuts his work with Christine Carrier Arts. "I find my imagery to be universal in its appearance. The essence of my work stems from the purity of form as expressed through me."
