ST JUDE'S CHILDREN HOSPITAL ANNOUNCED AS EXCLUSIVE CHARITY PARTNER FOR CHRISTINE CARRIER ARTS' "12 NIGHTS OF OPENINGS"

September 15, 2015, New York, NY - Christine Carrier Arts is delighted and honored to announce St. Jude Children's Research Hospital as the Exclusive Charity Partner for our inaugural NYC event, "12 Nights of Openings" from Tuesday, September 29th to Sunday, October 11th, 2015.

A mini-art fair, a mix of private events for collectors, and public events for art enthusiasts, "12 Night of Openings" takes the large scale art fair paradigm and tailors it to a jewel-box space, Studio 26 Gallery, in the dynamic art scene of the East Village.

Between September 29, 2015 and October 11, 2015, 5% of the purchase price of artwork exhibited or created during "12 Nights of Openings" will benefit St. Jude Children's Research Hospital®.

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision offounder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.

Christine Carrier Arts is an art world concierge management company with experience producing art fairs and pop up events in NYC and Miami, as well as consulting with galleries on market strategies to increase their visibility and brand recognition.
